

RE: REQUEST FOR RECUSAL FROM THE PATRICK CRUSIUS CASE.

JOHN BASH, U.S. ATTORNEY
FROM THE WESTERN DISTRICT OF TEXAS.

Dear Mr. Bash,

I respectfully request your recusal from the Patrick Crusius case on the ground that evidence on the record shows your participation with the U.S. Attorney from the Southern District of Texas, Ryan Patrick; with FBI Special Agent in Charge, Christopher Combs; with the Governor of Texas, Greg Abbott; with the Texas Attorney General, Ken Paxton; with the Director of the Texas Rangers, Steven McCraw; with the Hidalgo County Criminal District Attorney, Ricardo P. Rodriguez Jr., with members of the Judiciary and with others on the attempts to conceal that government sponsored bullying is provoking children and the disabled to commit mass shootings and other acts of terrorism to justify the massive and harmful military grade directed radiation surveillance of schools and even of homes and to benefit the trillion dollar Wireless Industrial Complex; on the ground that you have failed to investigate and prosecute the government sponsored bullies that are provoking terrorism; and on the ground that bringing the bullies and their sponsors to justice is necessary to prevent more tragedies against children, the disabled, and against other innocent, defenseless and unsuspecting victims as detailed on the Relevant and Material Evidence to the Patrick Crusius Case submitted to your office and on the Petition to Impeach 3 Federal Judges and on other Criminal Complaints submitted to federal authorities and posted on the Case Law Section of wirelesswatchblog.org

Please share this Request with interested parties, including the Federal Public Defenders on the Crusius case and with the Judges presiding on this case.

Respectfully submitted,

PARENTS' ALERT X.

IS GREG ABBOTT ENTITLED TO BE GOVERNOR OF TEXAS?

Evidence on the record proves the collusion of Greg Abbott with federal and State agents and prosecutors with members of the Judiciary to conceal:

- 1)..
That a massive medical malpractice and a massive Medicaid and Medicare fraud are in use to conceal that the harmful military grade wireless/microwave technologies and directed radiation surveillance used in schools are maiming and torturing children and teachers to death;
- 2)..
To conceal that government sponsored bullying is provoking children and the disabled to commit mass shootings and other acts of terrorism to justify under the Patriot Act, the massive and harmful military grade directed radiation satellite surveillance of schools and homes;
- 3)..
To conceal that government sponsored bullying and harmful directed radiation satellite surveillance are in use to maim and torture to death those who denounce government corruption and other innocent, defenseless and unsuspecting victims and even in the privacy of their homes;
- 4)..
And to conceal that under fabricated excuses of national security, the future of our children and the future of our country and of our national security are being sold to the trillion dollar Wireless Industrial Complex as detailed on the Petition to Impeach 3 Federal Judges, on the Relevant and Material Evidence to the Crusius Case, and on other Criminal Complaints submitted to federal authorities and posted on the Case Law Section of wirelesswatchblog.org

I am willing to testify before any legislature or Court of law to the atrocities being committed against children and against the disabled and other innocent, defenseless and unsuspecting victims. (By phone health permitting).

PARENTS' ALERT IX.

UNDER FABRICATED EXCUSES OF NATIONAL SECURITY AND TO BENEFIT THE WIRELESS INDUSTRIAL COMPLEX, HEINOUS ATROCITIES ARE BEING COMMITTED AGAINST CHILDREN AND AGAINST OTHER INNOCENT, DEFENSELESS AND UNSUSPECTING VICTIMS.

More than 20 years of litigation and about 20 Court cases generated evidence proving how under fabricated excuses of national security and to benefit the trillion dollar Wireless Industrial Complex, federal and State agents and prosecutors, and members of the Judiciary committed fraud on the Courts to conceal:

- 1). That school children are being exposed to harmful military grade radiation, including radiation above the federal safety limits and to the same wireless/microwave radiation that caused harm to teachers, to police officers, to fire fighters and to other adults;
- 2). To conceal that the compulsory exposures to wireless/microwave and radiation surveillance at school are causing children Electrohyper-sensitivity and brain, eye, blood, nerve, heart and DNA damage and other catastrophic and irreversible harm and disabilities that defeat the purpose of education;
- 3). To conceal that the lowering of academic of standards and the fabrication of grades and of performance recognitions have been to conceal the harm being caused on children's brains and bodies by the compulsory exposures to radiation at school;
- 4). To conceal that a massive medical malpractice and a massive Medicaid and Medicare fraud are in use to conceal that the compulsory exposures to wireless/microwave and radiation surveillance at school are maiming and torturing to death children, teachers and other innocent, defenseless and unsuspecting victims;

GREG ABBOTT, GOVERNOR OF THE STATE OF TEXAS.
P.O. Box 12428 Austin, Texas 78711-2428.

Dear Mr. Abbott,

Up to this time, you have failed to engage and dispute evidence on the record proving your participation on the attempts to conceal atrocities being committed against children and against the disabled and other innocent defenseless and unsuspecting victims as detailed on Parents' Alert ^{IX} X and on the Request for Recusal from the Patrick Crusius Case submitted to the US Attorney for the Western District of Texas, John Bash and attached herein.

Failure to promptly and specifically engage and challenge this evidence corroborates your participation on the atrocities being committed against humanity detailed herein.

Sincerely, Jesus Mendoza 27 Aug, 2020.

Some of the evidence on the record proving your participation on heinous atrocities being committed against children and against the disabled and other innocent, defenseless and unsuspecting victims is cited on the Petition to Impeach 3 Federal Judges; on the Relevant and Material Evidence to the Patrick Crusius Case, and on other Criminal Complaints submitted to federal and State authorities and posted on the Case Law Section of wirelesswatchblog.org and on Mendoza v. Sharyland Ind. School District et al., Case No. 7:11-cv-29 (S.D. TX. 2011) Dockets 101, 105, 106, 108; on Mendoza v. US District Chief Judge, Ricardo H. Hinojosa et al, Case No. 1:14-cv-30 (S.D. TX. 2014) Dockets 1, 4, 14; and on Mendoza v. Paxton, Case No. F-1591-11-A, 92nd District Court, Hidalgo County, State of Texas.

- 6). That under the excuse of national security, harmful, military grade directed radiation satellite surveillance, including microwaves, Lasers and X-Rays are being used to maim and torture to death those who denounce government corruption and other innocent, defenseless and unsuspecting victims and even in the privacy of their homes;
- 7). And proves conclusively that under the excuse of national security, those in charge of educating and protecting our children manipulated more than 50 Judges to commit fraud on their Courts to conceal that the future of our children and the future of our country and of our national security are being sold to the Wireless Industrial Complex as detailed by specific, concrete, and undisputed medical, scientific and legal evidence on the record cited on the Petition to Impeach 3 Federal Judges and on other Criminal Complaints submitted to federal authorities and posted on the Case Law Section of wirelesswatchblog.org

ELECTROHYPERSENSITIVITY EHS, PROVES CONCLUSIVELY:

- 1). That the ability of the human body to tolerate exposure to wireless/microwave radiation is limited; See wearetheevidence.org
- 2). That the microwave radiation at school is causing children EHS, and brain, eye, blood, nerve, heart and DNA damage and other catastrophic, irreversible and deadly harm, defeating the purpose of education. Id.
- 3). That millions of children and of other unsuspecting victims are now suffering and dying from EHS and from other illnesses caused or aggravated by exposure to wireless/microwave radiation; Id. And,
- 4). That despite that EHS is recognized by federal and State agencies and by Courts as a physical medical condition and as a disability; despite of the thousands of peer-reviewed scientific studies documenting the symptoms and signs of EHS and of the harm caused by microwave radiation; and despite that EHS is reaching pandemic proportions, most doctors are in the dark or in denial and continue misdiagnosing, mismeasuring and mistreating the harm being caused by microwave radiation on children and on other innocent, defenseless and unsuspecting victims; Id.

FURTHERMORE, ELECTROHYPERSENSITIVITY EHS, PROVES CONCLUSIVELY:

- 5). That under the excuse of national security, federal and State agents are using a massive medical malpractice and a massive Medicaid and Medicare fraud to conceal that the microwave radiation is maiming and torturing to death children, the disabled and other innocent, defenseless and unsuspecting victims;

PARENTS' ALERT V.

ELECTROHYPERSENSITIVITY PROVES CONCLUSIVELY THAT THE UNRESTRICTED PROLIFERATION OF WIRELESS/MICROWAVE RADIATION IN SCHOOLS, IN HOSPITALS, AND IN OTHER PLACES IS MAIMING AND TORTURING TO DEATH CHILDREN, THE DISABLED AND OTHER INNOCENT, DEFENSELESS AND UNSUSPECTING VICTIMS.

Electrohypersensitivity EHS, proves conclusively that without knowing, most children have symptoms of the harm caused by exposure to microwave radiation.

EHS is reaching pandemic proportions. See wearetheevidence.org

EHS is painful, debilitating and catastrophic injury to the immunological, neurological and cardiovascular systems caused by exposure to the same wireless/microwave radiation reaching children at school. Id.

I have been homebound for more than 7 years with life-threatening EHS. Exposure to the same radiation reaching children at school, including the radiation emitted by Wi-Fi transmitters, wireless computers, cell phones, cell towers, and radar causes me among other things, swelling of vital organs, including swelling of heart and brain; swelling of eyes, face and head; symptoms of heart attack and of stroke; flu and allergy symptoms, rashes and loss of skin; joint and muscle pain; extreme weakness, and fatigue; internal bleeding; and stomach, sleeping, vision, hearing, speech, memory, concentration and breathing problems.

The delayed effects of exposure to radiation have been catastrophic. I have a medical history of life-threatening swelling of heart; my rashes and loss of skin have been life-threatening; and the swelling inside my skull has been so severe as to push an eye out of its socket. I have been violently ill several times. I collapsed several times. At times, I struggle to breathe even with oxygen. I cannot be taken to a hospital for emergency health care. I am sleep deprived and in pain all the time.

Everyday is a different torture. This is a horrible way to die.

My EHS has been recognized by federal and State agencies and by Courts as a physical medical condition and as a disability.

I am willing to testify before any legislature or Court to the acts of domestic terrorism being committed against children and against the disabled and other innocent, defenseless and unsuspecting victims.

Your prompt attention to this matter can save the lives of victims of this domestic terrorism in progress.

JOHN CORRY, SENATOR OF THE UNITED STATES OF AMERICA.

Dear Senator,

I would like to know what legislation your office may endorse to protect our children, the disabled with Electromagnetic Sensitivity, and victims of government retaliation.

I have been hospitalized for more than 5 years with a lifelong, debilitating and life-threatening illness. It is caused and aggravated by exposure to the same wireless/microwave and radiation surveillance technology used in schools. I have been violently ill several times. I collapsed several times. At times, I struggle to breathe even with oxygen. I am often deprived of sleep in pain all the time. I cannot be taken to a hospital for emergency health care without aggravating my illness. Everyday is a different torture. This is a horrible way to die. My illness was caused by a retaliatory/radiation surveillance alliance. My illness has been recognized by Federal and State agencies and by courts as a physical medical condition and as a disability. It is reaching pandemic proportions. It is estimated that more than 20% of the population of the US population is suffering from symptoms of EHS. Children, teachers, doctors, attorneys and even a director of the World Health Organization are suffering from EHS. We are the victims of a World Health Organization.

Electromagnetic Sensitivity (EHS) proves conclusively:

- i). That the ability of the human body to absorb electromagnetic radiation without suffering catastrophic and deadly harm is limited;
- ii). That exposure to lower levels of wireless/microwave radiation below the Federal safety limits causes severe physical harm even to adults;
- iii). That the compulsory exposure to wireless/microwave and radiation surveillance at school are causing children, and other catastrophic and irreversible harm and disabilities that defeat the purpose of education;

RE: REQUEST TO PROTECT OUR CHILDREN, THE DISABLED WITH ELECTROHYPER-
SENSITIVITY AND VICTIMS OF GOVERNMENT RETALIATION.
