

## PARENT'S ALERT OCTOBER 3, 2021

THE ATROCITIES AGAINST OUR CHILDREN, THE DISABLED AND AGAINST OTHER INNOCENT, DEFENSELESS AND UNSUSPECTING VICTIMS CONTINUE UNADDRESSED, UNDETERRED AND WITH IMPUNITY.

Two federal judges admitted in writing their collusion with the Governor of Texas, Greg Abbott, with the U.S. Department of Education and with school officials, federal and state agents and prosecutors, and with more than 25 judges on the fraud on the court to conceal:

1. That school children are being exposed to harmful radiation, including radiation above the federal safety standards which causes harm even to adults, and to the same microwave radiation that caused harm to teachers, firefighters, and to police officers; (1)
2. To conceal that the microwaves and radiation surveillance at school are causing children Electrohypersensitivity and brain, eye, blood, nerve, heart and DNA damage and other severe and irreversible harm and disabilities that defeat the purpose of education; (2)
3. To conceal that the microwaves and radiation surveillance at school are responsible for the increasing number of children with brain damage and for the increasing number of children suffering from life-threatening and terminal illness; (3)
4. To conceal that most doctors are in the dark or in denial and continue misdiagnosing and mistreating with harmful and expensive drugs and dangerous invasive procedures, symptoms that disappear by reducing exposure to radiation; (4)
5. To conceal that Government-Sponsored Hate Group Bullying is being used to torture and provoke children, the mentally disabled and others to commit mass shootings and other acts of terrorism to justify under the fabricated excuses of national security, the massive and harmful military grade satellite directed radiation surveillance of schools and even of homes and to benefit the wireless/microwave Cartels; (5)
6. To conceal that under fabricated excuses of national security, Government-Sponsored Hate Group Bullying and directed radiation surveillance are being as weapons to maim and torture to death children, those who denounce government corruption and against other innocent, defenseless and unsuspecting victims at school and even in the privacy of their homes. (6)
7. And to conceal that under fabricated excuses of national security the future of our children and the future of our country and national security are being sold to the Deep-State Wireless, Big Pharma and the Medical Cartels as detailed by the Emergency Request to Congress to Protect Our Children posted on the case law section of J. Mendoza at WirelessWatchBlog.org.

Because the Deep-State Cartels have captured the Executive and the Courts to conceal these atrocities, sending a copy of the Emergency Request to Congress to your federal and state legislators can prevent immense pain and suffering, and save millions of children's lives and stop this crime. Our children cannot defend themselves from these atrocities.

Respectfully Submitted,

Jesus Mendoza
