

## PARENTS ALERT (JANUARY1, 2022)

### WHY THE DEPLOYMENT OF HARMFUL MILITARY GRADE MICROWAVES/5G TECHNOLOGIES IN SCHOOLS, IN HOMES, AND OTHER PLACES CONTINUES UNADDRESSED, UNDETERRED AND WITH IMPUNITY?

1. Because most people do not understand how something invisible, silent and unperceived like the radiation emitted by cellphones, WI-Fi and 5G can cause brain damage and other catastrophic and deadly harm and disabilities;
2. Because wireless devices were specifically designed to give satisfaction, convenience and addiction;
3. Because addiction, brain damage and mental impairment can make people go into denial even when they themselves, their families, and even pets are being maimed and tortured to death by wireless radiation;
4. Because most doctors (and veterinarians) are in the dark or in denial of the harm caused by wireless radiation and continue misdiagnosing and mistreating with harmful and expensive drugs, and invasive procedures symptoms that disappear by reducing exposure to radiation.
5. Because satellite wireless technologies are essential to the Deep-State covert global programs of political repression, mind control and surveillance;
6. Because most people believe that our government would never allow such atrocities against people and on American soil;
7. And because of under fabricated excuses of national security and for private illicit enrichment the trillion dollar Deep-State Wireless, Medical and Big Pharma Cartels have corrupted federal and state agents, prosecutors, judges and the Main Stream Media to conceal that millions of children and of other defenseless and unsuspecting victims are being maimed and tortured to death by exposure to Microwave/Wireless radiation as detailed by the Emergency Request to Congress to Protect Our Children posted on the case law section of J. Mendoza at [WirelessWatchBlog.org](http://WirelessWatchBlog.org).

Sharing this information with your contacts and with your federal and state legislators can prevent immense pain and suffering and can stop these atrocities. OUR CHILDREN CANNOT DEFEND THEMSELVES FROM THIS MASSIVE CORRUPTION.

Respectfully,

Jesus Mendoza
